Individual 401(k) Disclosure and Plan Trustee or Plan Participant Signature

For full disclosure language, please refer to section 6 of your Individual 401(k) Plan application: Investment Direction and Important Disclosures. I understand that Entrust will not provide any investment advice. All tax reporting for this plan is the responsibility of the Trustee.

Not Responsible for Market Condition Variances: I understand that I have agreed and instructed the Custodian to follow the investment direction which I provide to Administrator in investing the principal, as confirmed by written direction letters or instructions to Administrator from the undersigned for the above-referenced Account or other Custodial account for which Administrator serves as record keeper. I further understand that for any transaction that I may direct or instruct Administrator to complete, especially precious metals, that may be dependent upon the operation of global markets and entities, there could be fluctuations in price and condition of said investments from the time that I issue a direction letter to Administrator and the time when the transaction can actually be completed and recorded in my Account. I hereby agree to release, indemnify, defend and hold Administrator and Custodian harmless from any claims regarding the fluctuation in prices and/or conditions of any transaction I direct or instruct Administrator to make on my behalf. I further agree to waive any claims that I have, past, present or future, known or unknown, anticipated or unanticipated, with respect to the fluctuation or change in the price or condition of any investment that I direct or instruct Administrator to make from the time I deliver my direction or instruction letter to Administrator until the time the transaction is actually completed and recorded to my Account. I understand that this hold harmless and release shall apply equally to the Administrator and Custodian.

Transactions with insufficient funds will not be processed until sufficient funds are received. If fees are being deducted from your account, the full amount of the transaction plus fees must be available before your transaction can be processed.

I have read and understand the disclosure above.
